Donate to Help us Make $20,000 Match

I have great news! A donor has offered a matching grant of $20,000 for Give to the Max Day. This means that donations to Citizens’ Council for Health Freedom will be doubled. There’s a catch. The offer goes away in one week on midnight, Thursday, November 17, which is Give to the Max Day. But you can schedule your donation TODAY by using the donate button at cchfreedom.org.

Let me be frank. I want every one of those 20,000 dollars. So please donate. We’ll use your dollars to maintain this program, expand health freedom into every corner of the country, and protect patients, privacy, ethics and freedom of conscience. To help us make the match, go to cchfreedom.org and click DONATE. That’s cchfreedom.org.
