Obamacare by Morning

Last week during the Country Music Awards program, Brad Paisley and Carrie Underwood totally skewered Obamacare in a song they created. As they sat in front of a laptop computer typing away, they sang a song they called Obamacare by Morning. Watch it on Youtube and don’t miss the audience reaction, including the face of Taylor Swift. Here are the words of the song:

Obamacare by morning.
Why’s it taking so long?
I’m gonna wind up with hemorrhoids
If I sit here till dawn.
We’ll have cataracts and dementia
Oh this is getting on my last nerve.
Obamacare by morning.
Over six people served.
