**20,000 Reasons to Give to CCHF By November 15**

One woman told me she wants health care to be simple. Our organization, Citizens’ Council for Health Freedom, has a simple plan that makes health care affordable no matter what happens to Obamacare. It’s called The Wedge of Health Freedom. If you want simplicity, affordability and freedom in health care, send us a gift by going to cchfreedom.org.

Having you in our corner is essential. We have a $20,000 matching gift that disappears at midnight on Thursday. Every dollar you give gets matched for just four more days. Support this national radio program which gives you insights you get nowhere else and our work to repeal Obamacare and stop “Medicare for All.” Join us by going to cchfreedom.org and clicking “Donate Today!”
