Reason 5 to Refuse to Enroll in Obamacare

Over the past three days I've given you four of seven reasons to refuse to enroll in Obamacare.

The fifth reason is that Obamacare coverage is not private coverage. You'll be getting sliding-fee scale “Medicaid for the middle class.” You'll be applying to the government for coverage just like others apply for Medicaid, and just like Medicaid, you'll only be able to use plans that the government contracts with.

You may think you have private coverage because your card has the name of a private insurer on it. But so do cards for people on Medicaid. The insurers are simply government contractors for the Obamacare program.

Listen tomorrow for reasons six and seven to refuse to enroll in Obamacare.

Presented daily by Twila Brase, President, Citizens’ Council for Health Freedom.

The Health Freedom Minute is now heard in 37 states: Mornings M-Th at AM1280 (The Patriot) in MN and 91.5 AM WHKC (FreedomFM) in OH, afternoons on American Family Radio, and daily on the Bott Radio Network.
