Reason 6 and 7 to Refuse to Enroll in Obamacare

Over the past four days I've given you five of seven reasons to refuse to enroll in Obamacare.

The sixth reason is the IRS clawback. If the IRS pays your Obamacare plan too much because you estimated wrong or your status changed, the IRS will come after you at tax time for the excess payment, not your Obamacare plan. This clawback could be for thousands of dollars.

The seventh reason to refuse to enroll is the fact that States and insurers are dumping Obamacare. 36 states have refused an exchange and some plans are dropping out and leaving people high and dry. Listen next week for the three legal alternatives to enrolling in Obamacare.

The Health Freedom Minute is now heard in 37 states: Mornings M-Th at AM1280 (The Patriot) in MN and 91.5 AM WHKC (FreedomFM) in OH, afternoons on American Family Radio, and daily on the Bott Radio Network.
