Thank you for Giving

I’d like to thank everyone who donated to CCH Freedom on Give to the Max day to keep this program on the air. We received $12,125 allowing us to secure the entire $12,000 matching grant. Thanks to these donors, we’re 25% toward our fundraising goal.

If you didn't give, but still would like to, we're continuing to raise the additional $75,875 we need to support the Health Freedom Minute and accomplish the rest of our 2015 program. So as you consider year-end giving, please consider a gift to support this radio program and our focused plans to shut down Obamacare, protect your privacy, and secure health freedom for all.
