**Giving Thanks for America**

Happy Thanksgiving Day. Americans are wondering what the election of Donald Trump and Republicans from sea to shining sea means for the nation. What does it mean for our Constitution, for liberty, for religious freedom, for freedom of conscience, for Obamacare, for regulatory overreach, rogue executive orders, the unborn and the future of freedom?

Meanwhile many Americans are thankful that Mr. Trump won the election and Hillary Clinton did not. As you think of where the country is going and what our future will be, let me suggest that you thank the Lord Almighty who shed his bountiful grace on us and gave us America the beautiful with spacious skies, amber waves of grain, purple mountains majesty and fruited plains, and turkeys, of course, of which we’re happily eating today.
