How Do You Define Obamacare?

How do you define Obamacare? Recently I met with a doctor. When I asked him, he said, “I don’t know.” So for the purpose of our discussion, we agreed to call the entire law the Affordable Care Act, even though many people and I often call it Obamacare. We limited the term Obamacare to coverage bought on the government exchange.

Clarity of terms is important. Take the word “repeal.” Bloomberg reported last Thursday that the U.S. Senate voted to “Repeal Most of Obamacare” but that’s not true. Most of it would remain and even the penalties for being uninsured would not be repealed. The amounts would be zeroed out, but the words would still be in the law.

Presented daily by Twila Brase, President, Citizens’ Council for Health Freedom.

The Health Freedom Minute is now heard in 41 states: Mornings M-Th at AM1280 (The Patriot) in MN and 91.5 AM WHKC (FreedomFM) in OH, afternoons on American Family Radio, and daily on the Bott Radio Network.
