The Waffling Begins

One month ago, Donald Trump won. And repeal of Obamacare was the first thing on his agenda. But the backsliding, waffling, and equivocation on Obamacare repeal has begun. Republican Senator David Perdue from Georgia says Republicans don’t want to rush policies like Obama did when the Democrats took control. But, Americans elected Trump to stand up for them, take the country back to freedom and say no to Obamacare.

Trump can’t repeal Obamacare on his own. Congress must send him a bill. But Perdue told LifeZette’s Laura Ingraham that the GOP wants input from the insurance community, the medical community, and the Democrats. In other words, from those who support Obamacare. Call your Members of Congress and Senator Perdue today.
