What Do You Want for Christmas?

Welcome to the Health Freedom Minute. This is Twila Brase, president of Citizens’ Council for Health Freedom.

It’s twelve days before Christmas. So, what do you want for Christmas? I’m not talking about iPads, jewels, cashmere, Tahiti or a Mustang.

I want to know what you want in health care. What’s your wish? If you could actually ask and receive, what do you want? How about lower premiums, choice of doctors, less hassles, fewer regulations, a listening doctor, a private medical record, a human touch. Do you want Obamacare repealed, the U.S. Department of Health and Human Services shut down, the World Health Organization defunded? You name it!

What do you want? Tell me at healthfreedomminute.net. I’ll publish a list of your responses online. You’ve got just 7 days to respond. I can’t wait to hear the one gift you’d most like to get in health care this Christmas!
