Kagan Files or Supreme Secret?

Welcome to the Health Freedom Minute. This is Twila Brase, president of Citizens’ Council for Health Freedom.

There’s a 2 month gap in the history of Supreme Court Justice Elena Kagan’s involvement in Obamacare. Whenever the federal government is involved in a case before the Supreme Court, the solicitor general’s office is responsible for the government’s side of the case. Kagan was Obama’s solicitor general. Before the law passed, Ms. Kagan had approved her office for preparing a legal defense for Obamacare.

Department of Justice emails show some Kagan involvement but there are no documents from January 8 through March 5 prior to the law’s passage. Supreme Court justices must disqualify themselves if their “impartiality might reasonably be questioned.” If Elena Kagan wasn’t involved in Obamacare for those two months, why withhold the evidence? Truth doesn’t need to hide.
