What’s Your Christmas Wish for Health Care?

Welcome to the Health Freedom Minute. This is Twila Brase, president of Citizens’ Council for Health Freedom.

It’s just ten days before Christmas. Can you believe it?

On Tuesday, I asked you to tell me what you want for Christmas. But wouldn’t you know, the link did not work for many people. We’ve now fixed it, so let’s try it again.

What do you want most for Christmas in health care? Do you want lower insurance premiums, choice of doctors, fewer regulations, a listening doctor or a private medical record? Do you want Obamacare repealed, the Department of Health and Human Services shut down, or your baby’s DNA out of state government hands?

Let me know at healthfreedomminute.net. Let me hear from you today. I’ll put the list of preferences online.

So, what’s most important to you? Go to healthfreedomminute.net and click on feedback. That’s healthfreedomminute.net.
