Slow Obamacare - Oppose Rule Railroading

Get a pen. You can help slow Obamacare. The deadline is Friday. The administration has proposed more than 700 pages of Obamacare rules, but they gave you only 30 days to respond. They don’t want you to know what they’re up to. The Wall Street Journal says most of the rules were ready to go in MAY! But they waited until the holidays began…when they hoped you were too busy to act. You aren’t.

I need you to act now. It’s easy. Just copy and paste a single statement into a website. Go to cchfreedom.org for easy instructions. Cchfreedom.org. click on the SLOW OBAMACARE link, then copy and paste. Again, click on Slow Obamacare at cchfreedom.org
