Breathtaking Reality

Merry Christmas! Today is a very special day. I hope you are spending it with loved ones far and near. Whether you’re surrounded by blankets of snow or islands of palm trees, may your heart be light and your hope be renewed.

Christmas celebrates the birth of Jesus Christ, the Son of God who came down to rescue sinners. It’s breathtaking really when you think about it. The God who can hold the universe in his hand, who placed each star in the sky, who owns the cattle on a thousand hills, left his throne on high and all his majesty to meet his creation face to face…and die for us though we esteemed him not.

May your heart be filled with joy and the peace that passes all understanding. Merry Christmas!
