Christmas is the Best News Ever!

Merry Christmas! As I wrote this a few days ago, I had no idea how many people even listen on Christmas Day. I had just finished writing about how the Left is attacking the court ruling that Obamacare is unconstitutional. That's expected, but not good news.

But then I thought about today. It's Christmas. And whatever is happening in politics, and or in health care, and even in your own life, Christmas is the merriest of days because it's the day that God came down to earth to begin his 33-year plan to rescue us. That's the best news ever! So put aside your troubles for a moment because today, Christmas, is truly full of "glad tidings of great joy...For unto you is born this day...a Savior!"

Presented daily by Twila Brase, President, Citizens' Council for Health Freedom.
