2011 Lie of the Year Award Goes to...

Sometimes a liberal group gets it right. PolitiFact has given Democrats the 2011 “Lie of the Year” award.

PolitiFact gave the 2009 “Lie of the Year” award to Sarah Palin’s “death panels” but she was right. They gave the 2010 award to Republican strategist Frank Luntz’s for calling Obamacare a “government takeover of health care” but he was right.

This year they gave the award to Democrats for saying Congressman Paul Ryan’s voucher bill will “end Medicare.” They are right: that’s a lie. But Ryan’s bill is still a problem because it will force seniors into HMOs. Medicare vouchers could not be used for real insurance.
