Help Us Be Your Voice For Freedom

Have you put Citizens’ Council for Health Freedom on your end-of-year giving list? There are only three days left of 2016 and we need to end and start the year strong. We need to be ready when the new Congress begins and the new administration takes over. Trump’s first 100 days will go fast.

Give a tax-deductible gift today so we can be your voice for freedom. Just go to cchfreedom.org and send a gift online. If you’re 70 and ½ years old, you can donate from your IRA without penalty. Call us to find out how. If you want to give a stock donation just give us a call at 651-646-8935 or go to cchfreedom.org. CCHFREEDOM.ORG
