2014 is Critical for Freedom

Tonight you may gather to celebrate or to pray or both. This past year has shown the strength of the American people. Americans of every age, color and political stripe are getting worried about the future of America under President Obama. His approval rating sank 25 points among Hispanics. A majority of young voters would recall him from office. And Obamacare is in trouble.

2014 is a critical year for freedom. We must stop the exchanges to stop Obamacare. They are on a hard deadline. By the end of 2014, the exchanges must by law be self-sustaining. All federal exchange funding disappears. That’s why they desperately want you and your family in the exchange today. Refuse to enroll.
