Are You Prepared to Be Uninsured?

Are you prepared to be uninsured? If your policy is cancelled, have you made a plan? In 2010, the Obama administration predicted 93 million people’s policies would be cancelled. Your insurer may offer you another policy but that does not change the fact that you’ve been forcibly uninsured by Obamacare.

What if the new policy uses different doctors, doesn’t cover your medication or is unaffordable? For instance, one North Carolina man lost his $388 a month policy and was offered a $939 per month policy instead. Do you have a plan that keeps you out of Obamacare? There are legal alternatives.
