You Can Defeat Obamacare

You can defeat Obamacare. First, if you don't have an Obamacare exchange in your state, don't let it happen. Second, if you're in one of the seven "partnership exchange" states, tell your legislature not to pay fees to the federal government. Lack of state funding will stop it. Third, if you're in one of the 18 states with a state exchange, take heart. Lack of enrollment is its Achilles' heel.

Federal officials are worried that not enough people will sign up for government Exchange coverage, leading to high premium prices in the Exchange and fewer enrollees. Help us help you stop Obamacare. Help us post billboards to reduce enrollment. Resist and win.
