## **Exchanges - Powerful Board of Strangers**

Check out our new billboard. It shows seven imposing silhouettes in a government boardroom. It says, "Your Health in the Hands of Seven Strangers." This is the all-powerful state Board of implementers that will impose Obamacare. They will oversee the entire health care system under the federal law. They will decide what health plans you can buy. They will interfere with your medical care and call it "quality improvement." They will share your private data.

Your state's exchange board may have more or less members, but it'll do the same thing. Find a photo of our billboard at [NOTAmarketplace.com](http://NOTAmarketplace.com). [NOTAmarketplace.com](http://NOTAmarketplace.com). If you'd like a similar billboard in your state, let's talk!

Presented daily by Twila Brase, President, Citizens' Council for Health Freedom.

*The Health Freedom Minute is now heard in 37 states: Mornings M-Th at AM1280 (The Patriot) in MN and 91.5 AM WHKC (FreedomFM) in OH, afternoons on American Family Radio, and daily on the Bott Radio Network.*
