Do You Get The CCHFreedom eNews?

Every once in awhile I run into one of you who tells me they love the Health Freedom Minute. I'd love *your* feedback. Just go to our website's home page and click on Give Feedback. It's great to know that real people are really listening. So today, or the next time you go to our website to listen or to download one of our alerts, please take the time to tell me what you think of the Health Freedom Minute.

And while you're there, go to the very top of the home page and sign up for the CCHFreedom eNews. People subscribe from all over the nation. It comes out weekly and always includes a commentary from me and the news we don't want you to miss. I'd love to have you as a reader! Thanks again for listening!

Presented daily by Twila Brase, President, Citizens' Council for Health Freedom.

The Health Freedom Minute is now heard in 41 states: Mornings M-Th at AM1280 (The Patriot) in MN and 91.5 AM WHKC (FreedomFM) in OH, afternoons on American Family Radio, and daily on the Bott Radio Network.
