Obamacare Train Wreck Coming

Obamacare is beginning to unravel. Last Wednesday, U.S. Sen. Max Baucus, a Democrat, said he fears a “huge train wreck” because the public doesn’t understand it. The next day, Kansas Republican Rep. Mike Pompeo, wrote Baucus saying, “No one in the country bears more responsibility for the complexity of this law than you.”

Pompeo continued, “You drafted it, you twisted arms to get it passed, and until now, you have lauded it as a model for all the world. Your attempts to pass the buck to President Obama’s team will not work, not will they absolve you of responsibility for the harm that you have brought via this law….Make no mistake. Unless you act before it’s too late, the American people are going to hold you personally responsible…”

“Pompeo to Baucus: ObamaCare ‘train wreck’ is your fault,” Sam Baker, Healthwatch (blog), THE HILL, April 18, 2013.
