Is This Your Story?

People are sharing their Obamacare stories on our website. One woman writes that her total premium before Obamacare was $1,900. Her premium today is $10,260. That’s a 430% increase.

Even with a subsidy, she’s paying twice as much per month. Plus her deductible is more than she paid for her car. She’s also angry she has to claim $6600 on her taxes for a government handout she doesn’t want. She writes: “Obamacare is the biggest rip-off to anybody who has to work for a living in this Country.”
