REAL ID is a Ruse

Why would elected Republicans willingly give up Tenth Amendment rights? Minnesota’s Republican leadership is pushing an unconstitutional, un-American and un-Republican bill. It’s called REAL ID. Around the country, clueless politicians, Governors and media claim you won’t be able to fly without this national ID card, but that’s not true.

Homeland Security acknowledges that you don’t need REAL ID to get into Federal buildings or onto planes. It’s all a ruse to convince legislators to give up State’s rights and put the federal government in charge of the one document that you use for driving, identification, purchasing, travel and accessing services. Many states have said no. Tell your state to say no to REAL ID.
