**Obamacare Games Billboard Goes Viral**

Did you see one of our “Obamacare Games” billboards? It said, “Obamacare Games: Where the Odds are Never in Your Favor. Refusetoenroll.org.” We put them up in Nashville, Minneapolis, Denver, Orlando and Houston to counter the Obama campaign to drive the young and healthy into the Obamacare exchanges where the government could pick their pockets. People saw it right away. The first tweet and photo came out of Nashville.

Eventually the billboard went viral on Facebook and Twitter. We’re gearing up for the next open enrollment period. You can help us by funding all or part of a billboard. Send a donation. Just go to refusetoenroll.org and click on the red donate button! That’s Refusetoenroll.org
