**Will California Give Obamacare to Illegal Immigrants?**

Today is the deadline for California’s governor to decide whether to sign a bill giving illegal immigrants the right to buy Obamacare. You may recall that President Obama in a 2009 address to a joint session of Congress said that Obamacare would not be extended to illegal immigrants. South Carolina Republican Rep. Joe Wilson famously shouted, “You lie!” Obama responded, “That’s not true.”

But here we are. Although the California bill would not grant illegals any access to taxpayer subsidies, it’s just a matter of time. Once the doors of Obamacare open to illegal immigrants and they refuse to buy coverage because it’s too expensive, expect federal taxpayer-funded subsidies to follow.
