Today Could Be THE Day

Today could be the day. This week the U.S. Supreme Court will issue its ruling on the federal health care reform law, often called “Obamacare.” Whatever they decide, the ruling will rock the country. I’m in Washington, D.C. today and I hope to be standing on the steps of the Supreme Court when the ruling is issued.

Whatever the decision, remember this. The law is unconstitutional, every bit of it. Every federal overreach of power. Every dollar of the $2 trillion dollar cost. If the court gives socialized medicine its blessing the Congress must give the law the boot. It’s gotta go.
