**GOP Governors Cave on Obamacare**

Remember when GOP governors said they would not help implement Obamacare? Me too. But if there’s money to be had, apparently there’s capitulation to be made. Last week, Arizona Governor Jan Brewer signed the Obamacare Medicaid expansion into law. It was her top policy goal.

In Ohio, Governor John Kasich says he still wants Medicaid expansion and Michigan Governor Rick Snyder tried but couldn’t get the Senate to vote on it. Meanwhile, good news from Mississippi. In an attempt to force the GOP governor to expand the program, Democrats refuse to reauthorize the current one meaning Medicaid could disappear on July 1st. How’s that for brinksmanship? Are you listening Jan Brewer?
