Roberts’s Verbal Wizardry

Welcome to the third broadcast this week on the Obamacare ruling. I have read the scathing dissent of Justices Scalia, Kennedy, Thomas and Alito. The four charge Roberts with invented interpretation, judicial usurpation, judicial tax-writing and my favorite, “Verbal wizardry from the forbidden land of the sophists.” In other words, elaborate and devious argumentation.

According to CBS News, Roberts switched his vote. And when he refused to come back, the four conservative justices dismissed him, didn’t even mention his ruling in their dissent and refused to support his ruling that the individual mandate is unconstitutional.

Presented daily by Twila Brase, President, Citizens’ Council for Health Freedom.
