Roberts - Bad or Brilliant

Opinions vary. One CEO thinks Chief Justice Roberts may be a hero for limiting use of the commerce clause -- even though it was only his opinion. But one former journalist lists nine errors in the ruling, calls Roberts’ reasoning “thinner than unleavened bread” and says the opinion will likely damage the Constitution and our free society.

The Wall Street Journal says Roberts is not a genius but a politician who rewrote the law to dangerously expand Congress’ taxing power. One writer of a letter to the Journal’s editor welcomed the justices to the legislative branch of the government and asked, “Now how do we vote them out?”
