Unions not Happy with ACA

Remember when labor unions had a love fest with Obamacare? That was so yesterday. They have finally figured out the President didn’t really mean it when he said, “If you like your health plan, you can keep your health plan.”

Click on today’s Health Freedom Minute at our website: cchfreedom.org cchfreedom.org. Union leadership is in a panic. Their language is amazing. They now realize they’ve been betrayed. They know unionized employers may just drop their union plans and unions are gone. Don’t miss this letter!
