Paul Ryan's Medicare Plan

Congressman Paul Ryan has not been shy about his dislike for Obamacare, but he’s done it with a certain midwestern niceness. The media say Romney’s choice of Ryan brings Medicare into the election debate because last March Paul Ryan introduced a plan to reform Medicare. With a $38 trillion dollar unfunded liability, Medicare should be part of every election discussion.

Paul Ryan’s plan is called “The Path to Prosperity” and its on our website. One section deals with Medicare and Social Security. Mr. Ryan started a critically needed conversation about Medicare, but unfortunately, his plan maintains Medicare as a government program. Details tomorrow.

Presented daily by Twila Brase, President, Citizens’ Council for Health Freedom.

The Health Freedom Minute is now heard in 37 states: Mornings M-Th at AM1280 (The Patriot) in MN and 91.5 AM WHKC (FreedomFM) in OH, afternoons on American Family Radio, and daily on the Bott Radio Network.
