**Obama is Done with Congress**

On July 24th, President Obama said, “We’re going to do everything we can, wherever we can, with or without Congress.” In short, “This president is done with Congress,” wrote one reporter. Obama wants to rule. To gain public support for unilateral authority, he mocks Congress and the Supreme Court.

This is a president willing to suspend the law, as he did with the employer mandate delay; This is a president perhaps hoping to create a political crisis that he can use to bring about unchecked Obama power. He wants the U.S. House to turn Democrat in 2014 so he can run roughshod over citizens and the Constitution. That would be a disaster for America.
