Campaign Season for Obamacare

In a matter of weeks it’s going to begin to feel like campaign season, and it’s not even mid-term elections. The candidate is Obamacare exchange coverage. The Connecticut Exchange has issued sunscreen with “Get Covered!” written on it. The Minnesota Exchange will unveil “MNsure on a stick” at the Minnesota State Fair.

CVS is letting government agents called “navigators” come into their pharmacies to push Obamacare. The Oregon Exchange has a hip-hop video to advertise the exchange. And what do we have? We have a “refuse to enroll” campaign to encourage people to stay out of the exchanges and get coverage elsewhere to protect their freedom, their privacy, and their health care choices.

Presented daily by Twila Brase, President, Citizens’ Council for Health Freedom.

The Health Freedom Minute is now heard in 37 states: Mornings M-Th at AM1280 (The Patriot) in MN and 91.5 AM WHKC (FreedomFM) in OH, afternoons on American Family Radio, and daily on the Bott Radio Network.
