**Special CCHF Event With Two Superstars**

In just 52 days, Citizens' Council for Health Freedom will hold our annual fundraising dinner. It'll be a great night. On Thursday, October 22 we'll be raising funds to do what we do best: protect patients and doctors from government encroachment; distill complex health care issues into easy to understand radio minutes; and target the Achilles’ heel of health care policy.

We are committed to keeping the business of health care from destroying the caring mission of medicine. Your gifts will help us stay the course, expand our reach, and do so much more to protect your freedom. Go to cchfreedom.org today to register. Come meet the two Superstars we'll have on stage. Go to cchfreedom.org and plan to join us there!

Presented daily by Twila Brase, President, Citizens’ Council for Health Freedom.

*The Health Freedom Minute is now heard in 41 states: Mornings M-Th at AM1280 (The Patriot) in MN and 91.5 AM WHKC (FreedomFM) in OH, afternoons on American Family Radio, and daily on the Bott Radio Network.*
