We're Building a Boycott

We are building a boycott list. Businesses that back Obamacare are coming out of the closet. This gives you the opportunity to boycott them. Those who have dared to raise their Obamacare banners for all the world to see include three pharmacy chains: CVS, Rite Aid and Walgreens. Then there are the Baltimore Ravens football team and D.C. United, Washington D.C.’s professional soccer team.

In addition, H&R Block is setting up an online platform to help people find coverage on the Obamacare exchange. Refuse to do business with all of them and and tell them so. You can email them, tweet them, call them or write them. Let them know.

Presented daily by Twila Brase, President, Citizens’ Council for Health Freedom.

The Health Freedom Minute is now heard in 37 states: Mornings M-Th at AM1280 (The Patriot) in MN and 91.5 AM WHKC (FreedomFM) in OH, afternoons on American Family Radio, and daily on the Bott Radio Network.
