**Sea World and Trader Joe’s Make ACA Cuts**

Unpleasant surprises just keep popping up. Sea World has reduced worker’s hours to a level that will exempt the company from the Obamacare employer mandate. And Trader Joes is cutting health insurance for employees working fewer than 30 hours a week.

According to Investor’s Business Daily, more than 250 employers have already cut work hours, or jobs or taken other steps to avoid Obamacare costs. Trader Joe’s CEO plans to give employees a $500 check in January and help them find a new plan under Obamacare. These are the unhappy realities of Obamacare, which are nothing close to the President’s promises of happy happy.
