

Who Opposes Health Freedom?

The Virginia lawsuit, *Commonwealth of Virginia vs. Kathleen Sebelius, Secretary of the Department of Health and Human Services*, was the first lawsuit against Obamacare. It was filed by Virginia Attorney General Kenneth Cuccinelli on March 23, 2010, the day Obamacare was signed into law.

The September 8 ruling from the Fourth Circuit contains a surprisingly long list of individuals and organizations that support or oppose the Virginia lawsuit. The list provides an instructive, although not complete, view of the forces for and against repeal of Obamacare, including organizations, individuals, labor unions, university professors, states, and members of Congress. The following list, excluding the subtitles, is copied directly from the ruling found here:
