

# Newborn Metabolic Screening Test Refusal Form

\_\_\_\_\_  
Name of Newborn

\_\_\_\_\_  
Birth Date

\_\_\_\_\_  
Hospital/Place of Birth

\_\_\_\_\_  
Mother's Resident Address

\_\_\_\_\_  
Medical Record Number

\_\_\_\_\_  
City/State/Zip

I have received the parent informational brochure entitled, "**Newborn Screening Could Save Your Baby's Life,**" concerning the newborn metabolic screening tests for phenylketonuria (PKU), congenital hypothyroidism, congenital adrenal hyperplasia (CAH), cystic fibrosis (CF), maple syrup urine disease (MSUD), galactosemia, biotinidase deficiency, hemoglobin disorders, other amino acid disorders, urea cycle disorders, organic acid disorders, and fatty acid oxidation disorders.

I have been informed and I understand that these tests are required by State law for all infants born in Hawaii.

I have been informed and I understand that these tests are given to detect these disorders as symptoms may not appear for several weeks or months.

I have been informed and I understand that, if untreated, these conditions may cause permanent damage to my child, including serious mental retardation, growth failure, and even death.

I have been informed and I understand the nature of these tests and how these tests are given.

I have discussed this test with \_\_\_\_\_ and I understand the risks involved if these tests are not given to my child.

**I object to these tests and refuse to have my newborn child tested on the ground that these tests conflict with my religious tenets and beliefs.**

My decision was made freely without force or encouragement by my doctor, hospital personnel, or any State official.
