ObamaCare’s Finest Deception

Welcome to the Health Freedom Minute. This is Twila Brase president of Citizens’ Council on Health Care.

As parents and children celebrate Easter together, the issue of health care and the Obama overthrow of 1/6th of the American economy may come up.

So let’s talk about how ObamaCare lets children up to age 26 stay on their parents’ health insurance policy.

This is deception at its finest.

President Obama won primarily because young people voted for him. What a nasty surprise it would be if these young voters discovered that to cover the uninsured, he has made their health insurance unaffordable.

Mr. Obama doesn’t want his young, adoring fans to figure it out until the after the next election. Perhaps, even after the 2012 election. And they won’t—if they stay on their parents’ policy. This is sheer Obama wizardry.

On that somber note, do have a blessed Easter. Visit us at healthfreedomminute.net.
