Conformity Hearing

Welcome to the Health Freedom Minute. This is Twila Brase president of Citizens’ Council on Health Care.

Please come to the Minnesota State Capitol tomorrow afternoon.

At 3:00 on Tuesday, there will be an informational hearing to discuss conforming Minnesota law to ObamaCare. We need lots of you in the audience. State lawmakers should be saying no to ObamaCare, not actually making it state law.

Not only would they make it law in Minnesota, according to the bill the committee Chair has introduced, everyone would have to buy health insurance starting January 1, 2012. That’s two years before ObamaCare…and there would be no exceptions to the rule, making it more restrictive than ObamaCare.

The plan also creates a single-payer “public option” for Minnesota.

Details of tomorrow’s 3:00 p.m. hearing as well as a petition are on our website. Just go to healthfreedomminute.net.

That’s healthfreedomminute.net. Let me know you’re coming!
