VOTE, VOTE, VOTE

Welcome to the Health Freedom Minute. This is Twila Brase president of Citizens’ Council on Health Care.

Today is election day. Have you voted yet? This is your day to make a serious change in the leadership and the direction of this country.

Your vote is your power. Do you want health freedom or socialized medicine? The decision is before you. To not decide is to decide. Please vote. Information and voter guides are online.

Go to the Secretary of State’s website to find your polling place.

Do not let this day pass without voting your choice, including judges. If you don’t make this choice, you may lose your freedom to make other choices as liberals pass laws to restrict your freedom.

Please drop what you’re doing and vote. The polls are open until 8:00 p.m. Take a stand for freedom now. Please vote.
