Last Chance to Jumpstart our 2011 Efforts!

Welcome to the Health Freedom Minute. This is Twila Brase, president of Citizens’ Council for Health Freedom.

It’s the last day of the year. What’s that mean for you?

For me, it means that today is the last day you can help us jumpstart our 2011 efforts.

With your financial support we’ll be able to do three things.

Number 1, we’ll continue this broadcast and move it into national syndication. Number 2, we’ll extend and increase our efforts to reclaim citizen ownership of DNA, including helping fund the baby DNA lawsuit headed to the Minnesota Supreme Court. And Number 3, we’ll work to stop the implementation of Obamacare in Minnesota.

If you like what you hear on this broadcast, if you support our plans for 2011 for freedom, please donate today.
