The Hearing that Never Happened

Welcome to the Health Freedom Minute. This is Twila Brase, president of Citizens’ Council for Health Freedom.

On Wednesday, 70 people came to a hearing at the State Capitol to protest legislation that would install an unconstitutional Obamacare Health Insurance Exchange in Minnesota. The Exchange has been called the “lynchpin of reform,” and the “glue” that holds Obamacare together.

The room was standing-room only. The 70 protesters wore stickers that said vote No on the Obamacare Exchange.

The exchange bill was relegated to last place on the agenda after Rep. Gottwalt inserted his Freedom of Choice in Health Care Act into the agenda. Thus, the people who came to oppose one bill got to applaud the passage of another. The committee ran out of time to hear the Exchange bill and we wait for word of the hearing being rescheduled.
