No Celebration Here!

Welcome to the Health Freedom Minute. This is Twila Brase, president of Citizens’ Council for Health Freedom.

The U.S. Senate Republican Policy Committee has released a list of Obamacare numbers. For instance:

• Parents can no longer buy child-only policies in 19 states as a result of Obamacare.
• 30 states are suing or asking for waivers from the law’s requirements.
• 51 percent of workers will lose their current coverage by 2013, according to the Administration.
• The IRS wants 1,270 new workers to enforce the law.
• Individual premiums will increase $2100 under the law.
• 2.6 million people have been exempted from the law (half of them union workers).
• 7.4 million seniors have lost their Medicare Advantage plan.
• Health care dollars are expected to increase by $311 billion dollars.

These are not exactly numbers to celebrate.
