The Health Committee Circus

Welcome to the Health Freedom Minute. This is Twila Brase, president of Citizens’ Council for Health Freedom.

Yesterday, a Minnesota House committee turned into a circus.

Representative Gruenhagen introduced a bill to prohibit use of state dollars for Obamacare. One DFL member asked him to stop saying Obamacare. Later, DFL Representative Tina Liebling also asked him to stop saying Obamacare. The Chair called her out of order, but she refused to stop talking. As the two of them tried to talk over each other, she claimed freedom of speech rights even as she tried to silence others.

Finally she announced that she was going to call the Iraq War the Bush War. That was totally out of order, and people were more amused than offended. When she brought it up again, Representative Barrett suggested she read the book Obama Wars. Snickers were heard all around.
