Packing the (Minnesota) House

Welcome to the Health Freedom Minute. This is Twila Brase president of Citizens' Council on Health Care.

On Tuesday, we packed the Minnesota House hearing room to oppose bringing ObamaCare to Minnesota. It was standing room only with nearly 70 people sporting white stickers saying, “STOP ObamaCare in Minnesota.”

For nearly 2 hours bureaucrats and others testified in support of the proposal, including the Minnesota Medical Association. The only testimony against the bill was mine, given in the last 5 minutes.

I gave five reasons not to conform to ObamaCare, including the unconstitutional mandate, the unfunded Medicaid expansion, the usurping of state legislators, higher costs and reduced incentives to become physicians. I asked them to stop ObamaCare from becoming law in Minnesota.

The youtube video, including citizen applause, is now online at www.healthfreedomminute.net.
