Stop Exchange Rally

Welcome to the Health Freedom Minute. This is Twila Brase, president of Citizens’ Council for Health Freedom.

Come to a very important rally on Thursday May 12 at the State Capitol Rotunda. It’s our “Stop the Obamacare Exchange” Rally and we need you to come.

The Health Insurance Exchange is the command and control infrastructure for Obamacare. As Thomas Christina, an associate Attorney General under Reagan said when he was speaking to the American Enterprise Institute in Washington D.C., the exchange is enforcement without federal fingerprints, it’s anti-market, and it’s nationalization-in-fact.

But as of yet, key GOP Minnesota legislators have not committed to stopping it. They have bills to enact it. So we need your help. Sign our online petition and come to the rally on Thursday, May 12th at 11:30 a.m. at the Minnesota State Capitol Rotunda.
