159 Bureaucracies

Welcome to the Health Freedom Minute. This is Twila Brase president of Citizens' Council on Health Care.

How many new bureaucrats will be created under ObamaCare?

The Center for Health Transformation says 159 new bureaucracies will be established under the federal law.

Let me be more specific.

The Department of Treasury gets four more bureaucracies. The Centers for Disease Control gets 14. The Centers for Medicare and Medicaid get 18. Indian Health Services gets 11. The FDA gets two. And the U.S. Department of Health and Human Services gets almost 100.

Every new bureaucrat will grab power from patients and doctors. Every government worker will become invested in the government takeover of health care.

I hope to see you at our “Shred ObamaCare” Rally in the Rotunda at 11:45 today at the Minnesota State Capitol.
